Some questions regarding the implementation of the new claiming waiver. At first the HBPA had submitted for a rule change to protect horsemen/women having their horses claimed from their initial start of the season. After some consultation with Industry stakeholders the rule has been redacted until further notice.

Clerk of Scales Richard Gawel called prior to the riders going out for the first race to remind them of the new rules regarding urging. We did not have a paddock meeting due to distancing restrictions and there were concerns regarding the communication of the new rules.

It was explained that they would be afforded a learning period and we would monitor them going forward.

Jockey Carl DeFreitas excused from his two mounts today.
