Key Race of the Day – Race 2 – Maiden Special Weight – 5 Furlongs

It's quite exciting to see a two-year-old race at Fort Erie, as we don't see these too often and in this field of five, only one runner has race day experience. Looking at pedigrees, workouts, and connections, the two to the outside of the starting gate looked quite interesting. **#5 Champagne Curls** is a first-time starter by Curlin and a homebred for Charles Fipke. This filly has been working quite well since late August and had a nice final prep at the five-furlong distance from the gate on October 5th. Over the past five years, the barn has won one of ten starts with first time starters, which was earlier this season with Northwest Candy, and eight of the ten have hit the board on debut, which speaks to the Neubauer barn's ability to get horses to run well on debut. **#4 Mymathes Quick** is a filly by Big Screen, who is a full sibling to Knotty and Nice, a four-time winner here on the grass. Her siblings have preferred the turf and synthetic, but in all fairness, only nine of her siblings combined 86 starts have been on the dirt. The barn is known to get them to break sharp from the gate and it's a positive sign to see her most recent drill was her sharpest, breezing from the gate in 48.20 for four furlongs, the fastest of twelve workers that morning. #3 Leona's Voyce will make her debut for Jeff Voyce, who has been more active at the sales the past few years. This daughter of Oxbow is out of a mare who graduated in her third career start, sprinting on the dirt. This is her first foal and she's had plenty of works in preparation for the debut. Note that she's attracted the meet's current leading rider, Juan Crawford as well... watch out.
